Village of Angola Water Department Service Charges
Resolution – January 19, 2016

Effective January 1, 2016, the following Policies and Procedures has been established for the Village of Angola Water Department. This takes priority over the amended resolution of March 10, 2014 and is only to add the newly imposed infrastructure charge.

Water Customers:

- Bi-monthly billing (see billing schedule for costs)
- Penalty of 10% imposed after due date
- Shut off (pink) notices delivered after 2nd outstanding bill. 72 hours to pay then final 24-hour notice sent before shut off. Charge of \$50 will be added to account and must be paid together with full outstanding amount before service can be turned on.
- Outstanding water bills and penalties for **Inside Customers** remaining unpaid as of April 10th shall be included by the Board of Trustees in the annual tax levy upon the respective parcels of real property to which such unpaid water bills relate.
- Outside Readers:
 - \$120.00 charge for outside reader on existing service; lump sum or four (4) monthly installments of \$30 each.
 - Outside Reader required for:
 - New Owner (when inside meter only)
 - Non-access for reading of meters two consecutive reading periods
 - Replacement due to owner tampering - \$75.00
- Broken meters: \$120.00 replacement charge.
- **A \$5 per month (\$10 per billing) infrastructure charge will be applied to all billing.**
- Seasonal Outside Customer accounts are charged a one \$50 fee for on/off seasonal.
- Accounts must be paid up in order to provide turn on service. Turn on service will take place between 7:00 AM and 2:00 PM Monday thru Friday except for legal holidays with at least 24-hour notice. Customer must be present at time of turn-on. The only exception is in instances where there is a shut-off at the house.
- Emergency After Hours Call-Out:
 - Customers will be charged the actual cost of labor (min. 2-hours O/T Apr. 1st -Nov. 31st and a min. 3-hours O/T Dec 1st – March 31st, as per union contract) plus \$25.00.

New Services:

- Application for a new service line must be filled out at Village Hall (see contract)
- Tap-In Fees are as follows:

| Size of Tap | Min. Size of Main | Charge |
|-------------|-------------------|---|
| 3/4" | None | *Nearside - \$525.00 + \$120 Outside Reader |
| 1" | None | *Nearside - \$675.00 + \$125 Outside Reader |
| 2" | --- | **Nearside – Contractor’s Fee + \$500 + Cost of Parts |
| 3/4" | None | *Farside - \$ 775.00 + \$120 Outside Reader |
| 1" | None | *Farside - \$ 875.00 + \$125 Outside Reader |
| 2" | --- | **Farside – Contractor’s Fee + \$500 + Cost of Parts |
| Meter Pit | | \$600 Village installation includes pit and meter All other meters at actual cost plus 20% |

| | |
|--|--|
| New Construction – Multiple Housing Units (3 or more units) | \$250.00 Per Building includes multi-read Outside Reader |
| * Village Installation **Village Retained Contractor Installation Permit fee \$25 – Digging/Installation/Connection | |

Water Repairs:

- When the Water Department knows in advance that customers will be affected the water customers will be notified ahead of time by notices delivered to each resident believed to be affected.
- If a large, planned, extensive water interruption is to take place notices will be sent out and the local news stations will be advised.
- In an emergency situation, residents will not be notified unless problems arise.

New Construction:

When water is taken from main during new construction, customer must request a meter from the Water Department and will be billed for actual usage.

Customer Request – to locate leak outside between house and curb stop - \$25.00

Pool Filling: The Village no longer fills pools

Returned Checks: There will be a \$25.00 service charge on all returned checks.
